Moms Class (This is a 2-semester class)

Taught by Barb Tompkins

This two-semester class teaches moms how to love and discipline their children as God loves and disciplines us. Each week you will spend time as a group with pertinent teaching by Barb, who will make you laugh as she teaches parenting fundamentals and the blunders we all make as moms. You will also spend time in small groups for discussion. Fellow moms will become your lifeline as you learn and grow in your mothering skills throughout the year. Grandmothers welcomed.

Striving Less and Trusting God More - Study of Isaiah

Taught by Genetta Holt

Many scriptures popular among Christians come out of the Book of Isaiah; yet few have studied it with a desire to understand its beautiful message about trusting God amid chaos in our personal lives. The author, Melissa Spoelstra, delves into scripture, pulling out contemporary applications from God's warnings to a rebellious Israel, as well as the revelation of His plan to send the Messiah. The goal of this study is to move us into a deeper relationship with God, so we can let go of our worries and the lack of peace we often experience in life. We will let the Word guide us into seeing God's character more vividly, learning how to accept that God has purpose in all that He allows and a love for us that is never-ending.

Joy of Living Bible Study - Study of Ephesians Part 1, Chapters 1-3

Taught by Carolyn Gaul

This practical letter teaches us how to come to grips with life as it is. Ephesians is the believer's guidebook to spiritual, mental, and emotional well-being.

When Strivings Cease by Ruth Chou Simons (artist, wife, and mom of 6 home schooled boys)

Taught by Gwen Hucko

Replacing the Gospel of Self-Improvement with the Gospel of Life-Transforming Grace! Simons has discovered the truth: trying to keep people happy and prove our worth is exhausting---and futile! What we need is God's extravagant, merciful, undeserved grace. Sharing her personal story, biblical insights, and practical applications, teamed with her stunning original artwork, she leads us to the freedom of knowing that, in Christ, we are enough. We will be using a book, study guide, 6 videos, and an illustrated devotional on the character of God.

Women in the Word

Taught by Ellen Bontrager

Come and learn about one woman in the Word each week. We will be working through the passage, people, time, place, and applications. We will learn how special these women are in God's sight. A binder will be provided, and lessons will be given out each week.

Precept - Study of Revelation

Taught by Marilyn Reiter

We will be giving our attention to prophecies from the Bible concerning the Book of Revelation. There is homework, discussion, video, and encouragement to be found in this class. All attendees and newcomers are welcome.
