Moms Class (This class continues to Spring 2024) *Taught by Barb Tompkins*

This two-semester class teaches moms how to love and discipline their children as God loves and disciplines us. Each week you will spend time as a group with pertinent teaching by Barb, who will make you laugh as she teaches parenting fundamentals and the blunders we all make as moms. You will also spend time in small groups for discussion. Fellow moms will become your lifeline as you learn and grow in your mothering skills throughout the year. Grandmothers welcomed.

Jesus is Better *Taught by Carolyn Gaul*

This is part 1 of a study of the book of Hebrews, covering chapters 1-8. In this study we will discover that Jesus is better: The better Messenger, the better Sabbath Rest, the better High Priest, the better Sacrifice. The book of Hebrews is a timely warning and a word of comfort to all, especially as we face the fads and influence of today's modern culture. This study includes a workbook with weekly homework for group discussion.

God of Deliverance: A Study of Exodus 1-18 By Jen Wilkin *Taught by Andrea Owan*

Exodus is more than just an exciting story of how God raised up Moses and demonstrated some jaw-dropping miracles to deliver His people from slavery under a twisted, arrogant pharaoh. It's our story too, in a God who hears our cries and delivers from slavery to sin, from service to the world's pharaohs to freedom and a vision for the Promised Land, and to a life that worships God above all else. Join us for this 10-week study.

MEETING ONLINE Tuesday nights 6-8pm. (Home video access available with workbook purchase.)
